Assignment of Space

Booth assignments are based primarily on the date registration is received. In the event KLC is unable to honor all requests, assignments will be made in priority order as follows:

1. Cornerstone Partner requests will be given first priority based on level of sponsorship (e.g. Granite sponsors given first choice).
2. Requests will be considered based on the organization's length of participation in past KLC conventions.
3. Proximity to competitive or conflicting organizations.

KLC will make every attempt to assign one of the three spaces requested on the registration form; however, specific booth assignments are not guaranteed.

Exhibitor Service Kit

Following receipt of your registration form and payment to KLC, an Exhibitor Service Kit will be mailed to you from LEXPO. It will include order forms for additional services (i.e. carpet, furniture, electric).
