

Accreditation Manager Training Course

Recognizing that the success of the accreditation process is dependent upon the skills of the accreditation manager, this course was developed specifically for the K.A.C.P. Law Enforcement Accreditation Manager.

This one day course is designed to assist the Accreditation Manager with all phases of the Accreditation Program process. By the end of this course the Accreditation Manager should be able to:

- Interpret a standard
- Read and write a directive that meets compliance
- Identify and show proofs of compliance
- Have a working knowledge of both the standards and process & programs manuals

The overall goal is to prepare the Accreditation Manager to successfully navigate through the accreditation process.

The course will be offered at the following location:
