Frequently Asked Questions

What is the Kentucky Rx Card?

Kentucky Rx Card is a FREE statewide discount prescription assistance program. The program was launched to help uninsured and underinsured residents afford their prescriptions.

Who is eligible to participate in the Kentucky Rx Card program?

Every resident of Kentucky is eligible to receive a FREE prescription drug card.

How do Kentucky residents get a Kentucky Rx Card?

Kentucky residents can download a FREE card, search drug pricing, and locate participating pharmacies by visiting www.KentuckyRxCard.com. CVS/pharmacy and Kmart Pharmacy are the preferred pharmacies for the Kentucky Rx Card. Anyone not able to access the website, or otherwise obtain a member card, can visit any CVS/pharmacy or Kmart Pharmacy in Kentucky to have their prescription processed through the program. Residents can also obtain cards at various health centers, hospitals, clinics, businesses, and other card distribution sites that are being set up across the state. The cards are accepted at more than 56,000 pharmacies across the country.

How can Kentucky Rx Card provide free cards to residents?

This statewide prescription assistance program is made possible and funded through the support of pharmacies and pharmaceutical companies.

What makes Kentucky Rx Card different from other prescription programs?

- No enrollment forms
- No restrictions to participate
- No eligibility or income requirements/limitations
- No waiting periods
- No age restrictions
- No exclusions
- Includes pre-existing conditions
- No claim forms to file
- No annual or lifetime limits
- Open formulary so that both brand and generic medications are eligible for discounts
- Confidentiality: No personal information will be sold, shared, or distributed

Can this program be used by people who have insurance with prescription benefits?

This program was launched to help the uninsured people of Kentucky afford their prescriptions. However, people with insurance can also use Kentucky Rx Card to get a discount on medications not covered by their insurance (non-covered drugs).

What type of discounts can you expect when you use this card?

Average savings are roughly 30% with savings on some medications as high as 75%+.

What prescriptions are discounted with this program?

The program has an "OPEN FORMULARY" which means that brand and generic medications are eligible for a discount through this program.
