

Bonnieville Community Garden

low maintenance, formal rock garden w/outside oval walking path

Everything in our garden has a special meaning...

COMMUNITY FOOTSTONE GARDEN:

Angie Woodward, ECTC workforce liaison, donated the use of several footstone kits and boxes of embellishments. We will be holding workshops for local citizens to come and make their own personalized footstone, to be placed in the community garden. This has not been completed due to the excessive heat and dry conditions. Workshops rescheduled for Fall.

Each of the FOOTSTONES placed in the garden represent a facet our community. A few examples:

Love of Community

Tree w/ tire swing and one
Room schoolhouse

In Memory of those we have lost

Angels

Jameson House and Bacon Creek

Log house and canoe by creek

Also represented in the garden by footstones:

Deer & Trees: **FRENCHMAN'S KNOB LAND PRESERVE**

Firemen: **BONNIEVILLE VOLUNTEER FIRE DEPARTMENT**

Ivey Represents: **GROWTH, CONNECTION & FRIENDSHIP**

Flower basket: **HOMEMAKERS / LADIES GROUPS**

Roses & Angels: **LOVE & BEAUTY**

CONCRETE STATUARYS

Boy & Girl Ball Players:

Bonnieville has a long history of excellence in sports, especially softball & baseball: Bonnieville Bombers, Bomberettes, & Bonnieville Bees.

FFA Tractor:

Bonnieville has long been an agricultural - farming community. Local schools offer FFA (Future Farmers of America) programs to students.

Train:

Bonnieville was founded as Bacon Creek Station in 1849. A founding Father, Judge Jameson, donated his land as right of way for the L&N railroad to come through town, completing the passage way from Louisville to Nashville.

WaterPump:

Our founders settled near Bacon Creek. Bacon Creek Station was an important stop for L&N railroad to take on water for steam engines.
