### Report on the Financial Statements

We have audited the accompanying financial statements of Kentucky League of Cities Unemployment Compensation Reimbursement Trust (the Trust) as of and for the years then ended June 30, 2013 and 2012, and the related notes to the financial statements, which collectively comprise the Trust's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by Comptroller General of United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Trust as of June 30, 2013 and 2012, and the respective changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 4 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Reporting Required by Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 30, 2014 on our consideration of the Trust's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Trust's internal control over financial reporting and compliance.

### Management's Discussion and Analysis (*Unaudited*)

Our discussion and analysis of the Kentucky League of Cities Unemployment Compensation Reimbursement Trust (the Trust) provides an overview of the Trust's financial activity for the fiscal year ended June 30, 2013. It should be read in conjunction with the financial statements, which begin on page 5.

#### Using this Annual Report

This report consists of a series of financial statements. The statements of net position on page 5 provides information about the Trust as a whole.

#### Statements of Net Position

Table 1 shows all of the assets and liabilities of the Trust and is presented on the accrual basis. The total net position increased \$383,957 for the current fiscal year, compared to the increase of \$151,274 during the prior fiscal year. The current fiscal year increase in net position is primarily due to an increase in receivables from members for the reimbursement of benefit payments. Please see additional information included under Statements of Revenues, Expenses and Changes in Net Position.

#### Statements of Revenues, Expenses and Changes in Net Position

Table 2 shows all the revenues and expenses of the Trust and is also presented on the accrual basis. Interest and investment income decreased \$257,664 or 83.7% from the prior fiscal year, primarily due to a decrease in investable cash due to the increased balances in member receivables. Benefit payments decreased 10.4% for the current fiscal year as compared to a 4.1% increase in the prior fiscal year.

#### Description of Current and Expected Conditions

Benefits payments are expected to decrease next year with the expiration of extended benefits that were mandated by the Federal Emergency Unemployment Compensation program and the continued economic focus on lowering unemployment rates nation-wide. Each member's benefit payments only affect their own individual balances. Investment income is allocated to each member with a positive balance proportionate to the balance of the entire Trust.

## Notes to the Financial Statements

### 1. Description of Organization

The Kentucky League of Cities Unemployment Compensation Reimbursement Trust (the Trust) was organized as a nonprofit trust by the Kentucky League of Cities, Inc. (KLC), effective January 1, 1979. The Trust was established as a service to KLC members and their related agencies who elect coverage (Participants) under the Kentucky Unemployment Compensation Amendments of 1976 and KRS 341.277. These statutes provide that governmental entities, in lieu of making contributions to the Kentucky Unemployment Compensation Fund, can elect to reimburse the Commonwealth of Kentucky (the Commonwealth) for all benefits paid to workers for compensatable weeks of unemployment.

The Participants make quarterly deposits to the Trust based upon deposit rates determined by an actuary and approved by the Board of Trustees. Benefits paid by the Commonwealth are reimbursed by the Trust and charged to each participant's account. The Agreement of Participation provides that each participant is responsible for all benefits paid to its employees, and each participant is required to make additional deposits to the Trust if its deposits plus allocated investment income are less than benefits and allocated expenses charged to its account. Thus, the Trust assumes no liability for participant deficit balances, as it operates as a pool of self-insured members rather than as a group self-insurer. As of June 30, 2013 and 2012, participation in the Trust included 309 and 311 members, respectively.

Following is a description of the most significant risks facing the Trust and how the Trust mitigates those risks:

#### Legal/Regulatory Risk

Legal/regulatory risk is the risk that changes in the legal or regulatory environment in which the Trust operates will occur and create additional losses or expenses not anticipated by the Trust in pricing its products. That is, regulatory initiatives designed to reduce Trust profits or new legal theories may create costs for the Trust beyond those currently recorded in the financial statements. The Trust is exposed to this risk by maintaining all of its business in Kentucky, thus increasing its exposure to a single jurisdiction. The risk is reduced by practices that identify and minimize the adverse impact of this risk.

#### Credit Risk

Credit risk is the risk that issuers of securities owned by an insurer will default or that other parties that owe the insurer money will not pay. The Trust minimizes this risk by adhering to a conservative investment strategy, by maintaining credit and collection policies, and by providing an allowance for any amounts deemed uncollectible.

#### Interest Rate Risk

Interest rate risk is the risk that interest rates will change and cause a decrease in the value of the Trust's investments. The Trust mitigates this risk by attempting to match the maturity schedule of its assets with the expected payouts of its liabilities. To the extent that liabilities come due more quickly than assets mature, the Trust would have to sell assets prior to maturity and recognize a gain or loss.

### 2. Summary of Significant Accounting Policies

#### Basis of Accounting

The Trust uses the accrual basis of accounting. Under this method, revenues are recognized in the accounting period in which they are earned and expenses are recognized in the period incurred.

The Trust presents its financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. As a proprietary activity, the Trust has adopted GASB Statement No. 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements*. Therefore, the Trust follows GASB pronouncements and all Financial Accounting Standards Board and predecessor boards' pronouncements except those that conflict with or contradict GASB pronouncements.

#### Change in Accounting Principle

For 2013, the Trust implemented Governmental Accounting Standard Board (GASB) Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*.

GASB Statement No. 63 identifies net position, rather than net assets, as the residual of all other elements presented in a statement of financial position. This change was incorporated in the Trust's 2013 financial statements; however, there was no effect on beginning net position/fund balance.

#### Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

Cash and cash equivalents consist principally of money market fund investments. For purposes of the statement of cash flows, the Trust considers all short-term investments with original maturities of three months or less to be cash equivalents.

# KENTUCKY LEAGUE OF CITIES UNEMPLOYMENT COMPENSATION REIMBURSEMENT TRUST

## Notes to the Financial Statements, continued

### 2. Summary of Significant Accounting Policies, continued

#### Investment Securities

Investment securities consist of fixed income mutual funds, bonds, and other obligations of the U.S. Treasury and other corporations of the U.S. Government and are held by bank administered trust funds. Investment securities are stated at fair value based, generally, on quoted market prices. Changes in the fair value of investment securities are reported as revenue. The specific identification method is used to determine the cost of securities sold. Realized and unrealized gains and losses are included in interest and investment revenue, under nonoperating revenue.

#### Payable to Commonwealth of Kentucky

The liability for unemployment benefits payable to the Commonwealth represents quarterly benefits paid by the Commonwealth during the year that were reimbursed by the Trust subsequent to year end. The Trust does not recognize any liability for future benefits that may become payable relating to unemployment prior to year end, since each participant is ultimately liable for benefits paid to its employees.

#### Participant Accounts

Investment income, net of investment expenses, is allocated quarterly to participants based upon their pro rata share of the total net assets at the beginning of that quarter. Operating expenses are allocated at the end of the year based upon the percentage of each participant's number of employees to the total number of employees for all participants.

#### Federal Income Taxes

The Internal Revenue Service has ruled that the income of the Trust is excludable from gross income, and therefore, exempt from taxation pursuant to Internal Revenue Code Section 115, which pertains to instrumentalities of state and local governments.

#### Subsequent Events

Management has evaluated subsequent events for accounting and disclosure requirements through January 30, 2014, the date that the financial statements were available to be issued. There were no events occurring during the evaluation period that require recognition or disclosure in the financial statements.

### 3. Deposits and Investments, continued

#### Credit Risk

As of June 30, 2013, the Trust was invested in several U.S. government agency bonds, state and local municipal bonds and corporate and foreign bonds, which have the following ratings as of June 30, 2013:

AA	\$	750,601
A		960,677
Below A		42,219
N/A		<u>1,616,696</u>
	\$	<u>3,370,193</u>

#### Custodial Credit Risk - Deposits

Cash equivalents include investments in a money market fund that are not federally insured.

#### Concentration of Credit Risk

The Trust has a concentration of credit risk in that 17% of total investments were in Federal Home Loan Mortgage Corporation bonds and 23% of total investments were in Federal National Mortgage Association bonds. The amount invested in Federal Home Loan Mortgage Corporation bonds as of June 30, 2013 was \$648,926 The amount invested in Federal National Mortgage Association bonds as of June 30, 2013 was \$863,575.

### 4. Receivable from Participants

Amounts receivable from participants consist of the following as of June 30, 2013 and 2012:

	<u>2013</u>	<u>2012</u>
Deposits for the three-month period ended June 30	\$ 384,755	\$ 404,497
Deficit balance reimbursements for the three-month period ended June 30	436,710	111,240
Less allowance for doubtful accounts	<u>(3,280)</u>	<u>(3,280)</u>
Total receivable from participants	\$ <u>818,185</u>	\$ <u>512,457</u>

The Agreement of Participation authorizes the Board of Trustees to require additional deposits from individual participants should their account reflect a deficit balance due to unfavorable experience or should the Trust become financially incapable of meeting its payment obligations. Deficit balances are billed to the participants quarterly, with reimbursements due within 30 days of notification.

## KENTUCKY LEAGUE OF CITIES UNEMPLOYMENT COMPENSATION REIMBURSEMENT TRUST

### Notes to the Financial Statements, continued

#### 5. Participant Deposits

Participants deposit to the Trust a percentage of the first \$6,000 in annual wages paid to each of their covered employees. For the years ended June 30, 2013 and 2012, the deposit percentage for each participant ranged from 0% to 13.39%. The deposit percentage is based upon each participants' past experience. To facilitate participants' quarterly reporting to the Trust, the current board-approved formula adjusts the annual deposit rate to allow quarterly calculations on gross wages.

#### 6. Service Bureau

The Trust has contracted with Talx, Inc. for unemployment compensation claims management services. Notification of payments due are submitted by the Commonwealth to Talx, Inc. who reviews the claims for validity and initiates a protest if applicable. Claims approved for payment by Talx, Inc. are then reported to the Trust and charged to the respective participant's account. For the year ended June 30, 2013 and 2012, the fee for this service was \$11,400 and \$10,430 per quarter, subject to a 3% increase each January 1 and July 1. This fee is charged to the participants' accounts in equal quarterly installments. Service bureau fees were \$44,940 and \$43,631 for years ended June 30, 2013 and 2012, respectively.

#### 7. Related Party Transactions

The following entities are the Trust's related entities:

- Kentucky League of Cities (KLC)
- Kentucky League of Cities Insurance Agency (KLCIA)
- Kentucky League of Cities Premium Finance Company (KLCPFC)
- Kentucky League of Cities Insurance Services (KLCIS)
- Kentucky League of Cities Workers Compensation Trust (KLCWCT)
- Kentucky School Boards Insurance Trust Workers Compensation Fund (KSBITWCF)
- Kentucky School Boards Insurance Trust Property and Liability Fund (KSBITPLF)

During the years ended June 30, 2013 and 2012, KLC charged each Trust participant an administrative fee of \$6.00 per average full-time equivalent employee. The annual fee is charged to the participants' accounts in equal quarterly installments. The expense incurred by the Trust for this fee was \$106,156 and \$106,801 for the years ended June 30, 2013 and 2012, respectively.

**Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an  
Audit of Financial Statements Performed in Accordance With *Government Auditing Standards***

**Report of Independent Auditors**

Board of Trustees  
Kentucky League of Cities Unemployment Compensation Reimbursement Trust  
Lexington, Kentucky

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Kentucky League of Cities Unemployment Compensation Reimbursement Trust (Trust) as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the Trust's basic financial statements, and have issued our report thereon dated January 30, 2014.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Trust's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Trust's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Trust's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Trust's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Trust's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Trust's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
