Be visible, get involved, generate new business.

Sponsorship funds help KLC offset operational expenses for educational programs, special events, recognition awards and other activities. It's a return on your investment. KLC goes the extra mile to provide sponsors one-of-a-kind opportunities to personalize key elements of the event.

We are your one source. KLC is Kentucky's most trusted resource for more than 20,000 city officials and employees and more than \$2.5 billion in annual purchasing power in Kentucky's 400-plus cities. And, we are the only organization that is specifically dedicated to serving cities. If you want to reach municipal customers, you need to reach our members.

Why sponsorship?
