2020 KLC AWARDS

I ❤️ MY CITY
WE WANT TO TELL YOUR STORY.

2020 has been a time of unprecedented challenges. Kentucky cities and city leaders always play a crucial role in the success of our communities and commonwealth. This year demonstrates that better than most.

Part of our KLC mission is to spotlight the remarkable things happening in Kentucky cities and recognize the people doing the work – city officials and city employees.

Since 1999, KLC has been recognizing Kentucky cities and city people making a difference with our annual awards program.

It’s your time to shine.
