KENTUCKY RX CARD
WWW.KENTUCKYRXCARD.COM

This program is not insurance. This is a point-of-sale discount program.

FREE STATEWIDE PRESCRIPTION ASSISTANCE PROGRAM

Kentucky Rx Card offers free prescription assistance cards and is open to all residents of Kentucky. There are no applications, no waiting periods, and no enrollment forms to fill out. Save up to 75% on Rx medications at more than 68,000 pharmacies nationwide. Both brands and generics are included.

What is the Kentucky Rx Card?

Kentucky Rx Card is a free statewide discount prescription assistance program. The program was launched to help uninsured and underinsured residents afford their prescriptions.

Who may participate in the Kentucky Rx Card program?

There are no requirements needed to use the Kentucky Rx Card program. Unlike insurance programs, there are no income, age, pre-existing condition, deductible, or waiting period restrictions. The program is designed to help patients nationwide who do not have prescription drug coverage or who have coverage but are subject to large deductibles, large co-pays, formulary limitations, dosing limitations, gaps, and/or any cash out-of-pocket expenses.

How do I get the Kentucky Rx Card?

You can print, text, save or email cards free of charge from our website. The cards are completely confidential; no personal information will be collected, sold, shared, or distributed.

How do I use the Kentucky Rx Card?

1. Bring the discount card to your pharmacy with your prescriptions.
2. Present the discount card to the pharmacist when paying.
3. Save on your prescriptions!

Which pharmacies can accept the Kentucky Rx Card?

The cards are accepted at more than 68,000 major chain pharmacies and local pharmacies across the country. In most cases your current pharmacy will be part of our network.

Which prescription drugs may I use the Kentucky Rx Card on?

The Kentucky Rx Card program may be used on all FDA approved brand name and generic prescription medications.

What type of discounts can I expect when I use this card?

The discount card can provide savings up to 75% off your medications. Pricing varies by pharmacy and is subject to change over time.

How can I be assured I am getting the lowest price available under the program?

This program has "Lowest Price Logic" to guarantee that you get the best deal on your prescriptions under the program. The patient is guaranteed the lowest price available regardless of whether it is the Kentucky Rx Card price, your present insurance program's price, or the pharmacy's already discounted price.

Can this program be used by people who have insurance with prescription benefits?

This program was launched to help uninsured people afford their prescriptions. However, people with insurance may also use Kentucky Rx Card for discounts on medications not covered by their insurance (non-covered prescriptions). Additionally, The program may have lower pricing than your co-pay. Just ask your pharmacist.

How can Kentucky Rx Card provide free cards to residents?

This statewide prescription assistance program is made possible through the support and participation of pharmacies.

This drug savings program grants funds to CMN Hospitals to help children within their local communities.
