

EASTERN KENTUCKY UNIVERSITY AND KENTUCKY LEAGUE OF CITIES PARTNERSHIP FACT SHEET - 2024

Elected officials and employees in KLC member cities will receive a **30% tuition reduction** for on-campus (all sites) and online undergraduate, graduate, and doctorate programs including EKU's premier MBA and MPA programs.

These benefits will also apply to current spouses and dependents (children up to age 26 still living at home). This is a pilot program that runs from Spring 2024 to Spring 2026.

This discount program applies to current and incoming students. Current EKU online students may receive discounts as soon as next semester.

All undergraduate students will have access to free textbooks through EKU's BookSmart program and benefit from a streamlined registration process, assistance with financial aid, and dedicated advisors.

This is a scholarship, and as such, is not stackable (cannot be combined) with any other EKU scholarships or merit aid. The discount can be combined with Pell Grants or tuition loans.

A confirmation letter will be required and submitted during the application process for all participants as follows:

- For KLC city employees or officials, a letter is required for each semester.
- For spouses/dependents, one letter is required for the duration of the pilot program.
- Letters are available by contacting Terri Johnson at tjohnson@klc.org or 859.229.0427. You will receive a response within 24 hours.

Scan the QR code to learn more about the program.

THE PROCESS IS EASY!

- 1** Check out the application portal at EKU
- 2** Contact KLC for confirmation letter
- 3** Upload KLC letter with EKU application
- 4** Discount will be applied
