26
MAY

10
AM (EASTERN)

This webinar is designed to engage workshop participants by identifying and understanding generational differences. Participants will have an opportunity for self-examination and dialogue related to the cultural climates needed to support a multigenerational workforce. In addition, we will provide strategies to increase recruitment, retention, and job satisfaction for Baby Boomers and Generations X, Y, and Z.

Speaker:

Dr. Martha Sales
Dean of Students
Assistant Vice President of Student Life
Western Kentucky University

Credit: 1 hour of City Officials Training Center and/or Training Incentive Program (House Bill 119) credit.
