

KLC CONFERENCE SCHOLARSHIPS

KLC Virtual Conference & Expo – RE-VISION: A New View September 21 – 25, 2020 Scholarship Opportunities

Scope

The Kentucky League of Cities understands that many cities across the commonwealth have had to significantly cut their training budgets due to the effects of COVID-19. Therefore, we are providing scholarship opportunities to KLC members who may want to attend the 2020 KLC Virtual Conference & Expo, but have a financial hardship preventing attendance at this year’s event. We will be providing up to five scholarships for both first-time attendees and for returning attendees (a total of 10). Each scholarship award will be for \$200 to cover the full member registration cost.

Eligibility Requirements

- ◆ Applicant must be a member of the Kentucky League of Cities.
- ◆ Applicant must have a financial need.
- ◆ Applications must be completed by September 4, 2020.
- ◆ Scholarship recipients will be notified in writing by the Kentucky League of Cities and automatically registered for the conference. If the recipient is already registered, a refund will be processed to the original method of payment.
- ◆ In the event that an award recipient is not able to attend the KLC Virtual Conference & Expo, an alternate will be chosen to receive the scholarship.
